**TALKING POINTS:**

**Non-responsive - Updates unrelated to Bristol Bay/Pebble Mine**

**Bristol Bay:**

- We are drafting the documents to initiate EPA's process to propose to withdraw the July 2014 Pebble 404(c) Proposed Determination (PD) by the July 11, 2017 deadline called for in our settlement agreement with the Pebble Limited Partnership.
- As part of the overall proposed process, on or before July 11, we anticipate initiating tribal consultation by inviting the 31 federally recognized tribal governments and 26 Alaska Native Claims Settlement Act (ANCSA) Corporations of the Bristol Bay region to participate in the formal consultation process.
- The tribal/ANCSA letters are being drafted for the Administrator's signature, similar to the approach taken recently in WOTUS. We anticipate having those to you shortly.
